**ISLAMABAD MODEL COLLEGE FOR GIRLS (POSTGRADUATE)
F-7/2, ISLAMABAD**

**In the name of Allah
the most Merciful, the most Beneficent**

Mission Statement from the Institution

To provide a transformative educational environment that integrates academic excellence, active sports, and creative co-curricular activities. We aim to nurture technologically skilled, confident, and socially responsible young women with strong character, a sense of purpose, and inner peace.

College Vision Statement

Holistic development of personality through a comprehensive framework encompassing academic excellence, active sports, co-curricular engagement and character-building initiatives. To "Strive for Excellence", adding to the mainstream girls who are academically brilliant, technologically adept, innovative and enterprising, confident yet modest, aware of not only their rights but also their responsibilities, having the will, the courage, the ability and the vision to make this world a better place - with peace within and peace without.

Objectives

- To nurture sound academic background and to help young girls present themselves confidently, helping them compete on merit.
- To help young girls develop creative minds making them think innovatively and devise solutions to increasingly complex problems.
- To help the young girls realize their potential through a host of meaningful co-curricular activities.
- To prepare the students to face the challenges of future by inculcating intellectual, moral and ethical values.
- To make them acquire skill based education which may help in economic prosperity in the years to come, transforming them into worthy professionals of future.
- To help young minds develop depth of vision and ability to understand diverse points of view with tolerance.

Quaid's Message

There is immediate and urgent need for training our people in the scientific and technical education in order to build up our future economic life, and we should see that our people undertake science, commerce, trade and particularly well-planned industries. But do not forget that we have to compete with the world which is moving very fast in this direction. In short, we have to build up the character of our future generations which means highest sense of honor, integrity, selfless service to the nation and sense of responsibility and we have to see that they are fully qualified or equipped to play their part in various branches of economic life in a manner which will do honour to Pakistan.

Message by the Principal

Dear Girls,

Assalam-o-Alaikum

Welcome to IMCG (PG) F-7/2, Islamabad. Today is the beginning of a new era in your life- the start of College life. College education is a dream that materializes for few girls in our country. You are especially blessed, not just because you are going to receive college education but also because your college is one of the oldest and the most prestigious institutions of higher learning in the Federal capital of Pakistan.

College life is the beginning of an exciting time in a student's life as it is synonymous with greater personal freedom, recognition of being a mature person and having good times. You feel you are ready to take on the world, to accept new challenges. College education is also the stepping stone to professional education. Your future course of life, the quality of life you lead would depend, to a great extent, on how you spend the next few years of your life here.

Our country is blessed with rich natural resources but its richest resource is its bright and enterprising youth. You are very special as you are girls. As such you are the homemakers- the weavers of the fabric of society. Your outlook and values would determine Pakistan's tomorrow, the outlook and values of the coming generations.

Allah Kareem has blessed you with abilities and talents you might not be fully aware of. IMCG (PG), F-7/2 gives you the opportunity to attain quality education from Intermediate to BS level in varied disciplines. The highly educated and enlightened teaching faculty of the college would help you tap your hidden potential, explore your latent talent and abilities, polish the multi-faceted diamond of your personality.

Dear Girls,

Use your time well. Equip yourself with knowledge and skills. Be confident, be courageous. Attain the highest degrees but never compromise on your honour and modesty. Become balanced, mature, good human beings with a strong civic sense. Be aware not just of your rights but also your duties. Have the will, the courage, the ability and the vision to make this world a better place- with peace within and peace without. Work hard, maximize your potential and together we shall strive to make Pakistan a glorious country In sha Allah.

Comfortable reading environment has been provided and it has been aesthetically furnished to make it look pleasing. A separate corner for mind games has also been established to sharpen the mental abilities of students.

3. SEMINAR LIBRARIES

Besides the main library, there are Seminar Libraries for the undergraduate students of various disciplines i.e. Applied Psychology, Arabic, Economics, Islamic Studies. Here the students can easily quench their thirst for knowledge by taking the help of various reference books, encyclopedia and atlases. Undergraduate students are not issued books from the seminar library but are allowed to use them during their college hours.

4. NETWORKING/VIDEO CONFERENCING

Keeping pace with the new technological developments, the college has gained the latest facilities of networking and video conferencing. The Management Information System (MIS) of the college handles admissions, attendance, examination results and complete academic records of students.

5. LABORATORIES

The college has the latest science as well as computer labs to cater to the needs of students both at the Intermediate and Degree levels. The computer labs are fully air conditioned and well equipped. The labs are provided with latest interactive LED screens. A latest IT lab for High Impact Training Programs has been recently established by MoFEPT. The lab has been refurnished and latest computer series has been provided.

6. DAY CARE CENTER

Keeping in view the problems of working mothers, a day care center has been provided within the college premises to facilitate the faculty and other female staff.

7. COLLEGE MOSQUE

A grand and magnificent mosque is built to inculcate religious fervor amongst the students. Besides offering prayers during college hours, a special program for teaching “Tajweed” has also been started for the desirous students.

8. COLLEGE AUDITORIUM

The college has a fairly spacious auditorium which is elegantly furnished in view of its multifarious academic and co-curricular requirements. The auditorium has been named after the first honorable Principal Ms. Afroze Begum, in recognition of her meritorious services for the institution.

9. CANTEEN AND STATIONERY SHOP

The college canteen provides a refreshing respite from the daily routine. Students can find a wide range of eatables and drinks at subsidized rates. Keeping in view the ever increasing demand of the students, a Xerox machine is also provided in the college. Other stationery items are also available within the college premises for the convenience of students and teachers alike.

10. SECURITY MEASURES

Considering the prevailing security concerns, the college has taken serious steps to ensure the safety of students and faculty. College has a squad of uniformed watchmen who guard the building and monitor the movements of visitors. CCTV cameras are mounted on top of all the gates to ensure maximum security.

11. DRINKING WATER

The college has installed two huge filtration plants of drinking water along with chillers to provide clean and cold water. Another filtration plant has also been installed in the hostel building to facilitate the boarders round the clock.

12. COLLEGE MAGAZINE

The College Magazine “Al-Mishkat” is published under the patronage of the principal of the college. The English and Urdu sections of the magazine have separate editorial boards, each comprising student editors and advisory members from the teaching staff. Student editors are chosen on the basis of their language proficiency. The status of a student editor is equated with the member of the student council. The primary objective of the magazine is to encourage creative and original writing among students.

13. EDUCATIONAL TRIPS

The college often arranges educational trips in and around Islamabad for educational purposes after due permission from the parents of students and the Principal concerned.

14. SPORTS

The college provides ample facility to students for participation in indoor and outdoor games. Adequate facilities are available for Badminton, Volley Ball, Table Tennis, Lawn Tennis, Net Ball, Basket Ball, Hockey and Athletics. Outstanding players are encouraged to participate in various tournaments under the umbrella of the Federal Board, Quaid-i-Azam University and the Federal Directorate of Education, where students get a chance to exhibit their talent. The students' active participation in sports always brings laurels to the college. Moreover, a gymnasium is near completion which will act as a seat of physical training for the prospective sports women of the future.

15. TRANSPORT

The college has a fleet of ten buses and two vans. The buses ply on different specific routes of Islamabad to facilitate maximum number of students. Students of the college residing in Islamabad may apply for this facility. However, this facility is conditional to the availability of seats in the vehicle. No individual request for change of route is entertained in this regard.

16. COLLEGE HOSTEL

In order to facilitate students from other cities, a well-guarded college hostel houses about 120 students. It is managed and supervised by the warden in collaboration with a senior member of the faculty.

17. FIRST AID

First Aid Room in the college is equipped adequately to lend medical aid in case of minor injury and ailment under the supervision of a member of faculty. The science laboratories are also equipped with first aid kits to handle emergency situation. In case of any contingency parents and guardians are advised to remain vigilant as it is beyond the capacity of the infirmary to treat major health problems such as allergies, asthma, fits etc. The students are directed to keep their emergency phone numbers with them.

4- Associations

1. THE ACADEMIC COUNCIL

The College Academic Council has been constituted in accordance with the rules laid down by the Federal Board of Intermediate and Secondary Education, Islamabad. It is the supreme body in all matters regarding maintenance of discipline and order in the college. It comprises of senior members of the teaching staff including the Principal, who is the chairperson of the council. The council holds its session whenever necessary and also deals with any case of indiscipline or misconduct. Decisions taken by it regarding expulsion or rustication are strictly in accordance with the Board/University rules and are binding on the students concerned.

2. THE STUDENT COUNCIL

The Student Council works under the guidance of Principal and is managed by a group of senior faculty members. It arranges inter-class and inter-collegiate functions. It is also responsible for holding elections amongst students for different offices. The council conducts lectures/seminars on subjects of various social and intellectual significance for students and faculty alike.

3. COLLEGE MANAGEMENT COMMITTEE (CMC)

Keeping in view the importance of parent teacher interaction for better academic performance, College Management Committee has been formed.
